Message from the Principal

Dear St. Anthony Families,

I hope everyone is adjusting to the time change! We continue to celebrate wonderful things happening in our building! Competing in the SCISA Battle of the Books competition, making ice cream in science, designing stained glass crosses, trying to catch a leprechaun, making miniature trampolines, preparing for Reconciliation, learning about algorithms, and our entire library is filled with Middle School History projects to name a few. Thank you, parents for entrusting your children to us.

STOP and listen to God.
SLOW make time for God.

Fr. John has been talking to the students and faculty about these two statements and how it can strengthen our relationship with God and help us to "Be who you are and be that well." I pray as you continue your Lenten journey these two statements are a sign to remind us what it is, we need to do.

I want to say thank you to all the room moms who are actively working on the class projects for our "Un-Gala" this year. Please remember to go to [Auction Page](#) on our school website to find out all the ways to buy tickets, donate items, bid on items and more! Thank you to our two amazing co-chairs, Barbara Davis and Leigha Fluharty. Please reach out to them if you have any questions!

We are ending our 3rd quarter and beginning our 4th quarter! Wow! Encourage your children to make 4th quarter their best!

Blessings,

Mrs. Galemme

A Prayer for our Reconciliation Candidates

Loving God help us to teach our children that you love us totally and unconditionally. Help us to encourage our children to grow in love and to learn how to say sorry, knowing that you always forgive. Give us the courage to pray with our children and to share our faith with them as we journey together. We ask this through Christ our Lord. Amen
