Principal's Message

Dear St. Anthony Families,

I hope everyone is enjoying their long weekend! Memorial Day is a special day for many of us in our St. Anthony community. Growing up in a military family, having a son in the military and losing my father while he was serving in the military, makes this weekend special to me. Over the past 2 ½ months our country has had to battle a quite different kind of war. During this time, we have seen families lose their loved ones, leaders make difficult decisions and heroes emerge. All of us have been called to duty in some way. So, on this Memorial Weekend, please remember those who have fallen and those who continue to get back up. Put trust in our Faith, Family and Love.

We are planning several activities over the summer that will provide opportunities for us to come together and reconnect as a school community. It is important for our students to reconnect, but it is also important for the adults of our community.

We will schedule Prayers in the Parking Lot throughout the summer. Coming together in prayer is a special opportunity for us to live our faith and be strengthened by the Holy Spirit. Please watch for emails with details about activities scheduled over the summer.

Blessings,
Mrs. Galemmo
