

Summer 2019

Dear Students,

We know that summer is your time to truly live our mission, re-charge, spend time with your family, have fun and get ready for next school year. But, your teachers and I want you to continue to grow each day to reach your fullest potential. So, with that in mind, here are your daily summer assignments:

- Start and end your day with prayer. Don't forget blessings before and after meals.
- 15 minutes of silent or shared reading
- 15 minutes working on Math
- 30 minutes of active play or exercise
- 15 minutes using your creative talents (practicing your instrument, drawing, legos, etc.)
- Help someone in the family (ask if there is a job you can do, if you can't think of something yourself)
- Each day, you must:
 - Make your bed
 - Eat a good breakfast
 - Get dressed
 - Brush your teeth
 - Brush your hair
- Attend Mass on Sunday (even if you are on vacation)

This is what I am asking for each of our students at St. Anthony. We hope that you have a wonderful summer, and we can not wait to see you back.
