Message from the Principal

Dear St. Anthony Families,

This is your last Bear Blast for the 2021-2022 school year! What an awesome year it was!

A round of applause goes out to Mrs. Guerriero and all her worker bees for an amazing field day! Despite the weather, students competed in many games, shot some hoops, threw axes, ate Kona ice, played a highly competitive House dodge ball game (way to go St. Paul!) and enjoyed delicious pizza! Thank you, Mrs. G!

Our 8th grade class trip was a success! Thank you, Mr. Spivey for planning such an educational, fun filled trip. Thanks to Mrs. Williams, Father John, Mrs. Berrios, and Mr. McLellan for being part of the excursion. What an amazing team!

Thanks to Mrs. Pasley for making the Carowinds trip happen! Lots of smiles and "let's do that again!" comments from our 5th-7th grade students! A big shout out for all the teachers who joined on the trip and rode the rides!

This was a wonderful year! When I look back on our 2021-2022 year, I see celebrations, lots of events, parents back in the building, being together, rising enrollment, smiling, and laughing students and huge accomplishments from our students! A big thank you goes out to our teachers in our school community. I know how hard they worked to continue to give your children the best education with lots of support, creativity, and love. Congratulations to our amazing students who continued to learn, work hard, be a friend and grow. They are impressive!

I hope everyone has a wonderful summer with lots of relaxation, family time and play! Be safe, stop and take time for God and enjoy! See you next year!

Blessings,

Mrs. Salemmo

Christ, Teacher and Lord, bless all in this school as we seek to end our year with the grace you so generously provide.

We give thanks for the students and the faculty, the administrators, and all who have contributed to this year of nurturing and growth.

We affirm all the positive moments: of insight, of the excitement of learning, of creativity, of laughter, of accomplishment, of a sense of community.

We recognize the times of struggle, of difficult work, of misunderstanding, even of failure. We give these to you for transformation, so, they can become seeds that will find fertile soil.

As we leave for the summer, may we take with us the knowledge that you will keep us all in Your embrace so, we may rest and be restored. Guide us as we continue in the ongoing discovery of your love. Amen

WE OUR VOLUNTEERS

We have been able to meet the challenges of this year and provide many positive opportunities for our students. We want to acknowledge the many volunteers who have contributed to our school this year: room moms, Advisory Council members, lunch helpers, the PTO, Fish Fry workers, Auction volunteers, Run for the Heroes Volunteers and all the families who kept us supplied with water. Our sense of community is strong!

Thank you to our wonderful volunteers

we couldn't do it without you

We had an amazing Rainy-Day Field Day thanks to the many individuals that volunteered to help. We want to extend thanks to the high school students, college students and parents who gave their time to help set up, supervise stations and help clean-up. We also want to thank all those who donated water and coolers to help keep everyone hydrated.

The Advisory Board is seeking new council members and volunteers to work on several of its committees. As a committee member you will work on specific tasks, but you are not required to attend monthly meetings.
