New Student Referral Incentive*

Many of our new families hear about St. Anthony School through a personal referral from one of our existing school families. You are our best form of advertising, and we want to reward you for promoting our school to your family and friends! Through our new Student Referral Program, both Your Family and the New Family can receive the benefit of incentives.

How it works:

- The New Student Referral Program is open to all parents or legal guardians with 3K through 8th grade students enrolled at St. Anthony.
- Incentive awards will be given for NEW families, as well as the referring family from the school. To qualify for the incentive, referred students cannot have siblings currently or previously enrolled at St. Anthony's, and the family cannot already be included in the St. Anthony prospective student database.
- New families with more than one child enrolling may not submit more than one referral form.
- To qualify, referrals must be acknowledged during the initial contact with the school. The referring family must ensure that the prospective family submits the referral form at the time of their first visit.
- The referring family will receive a \$50 discount on registration fees for each prospective family that completes a tour.
- Upon registration, the new family receives a registration rate of \$50 per child and the application fee is reduced to \$25.
- The referring family will receive free tuition in February, if the NEW family has remained enrolled through January.

*The student referral program is subject to review and modification without notice. Interpretation of program parameters will be at the discretion of the school.
