Our Vision

St. Anthony Catholic School makes known God's goodness by providing a Christ-centered community rooted in a culture of love and respect where all children are prepared to use their gifts and abilities to effectively follow God's plan for their lives.

Our Mission

United by our core values of Faith, Family, Knowledge and Service, St. Anthony Catholic School is committed to providing a learning environment that promotes academic excellence, spiritual growth, and moral development. Preparing students to be good stewards of God's gifts.

“Be it known to all who enter here that Christ is the reason for this school. He is the unseen but ever-present teacher in its classrooms. He is the model of its faculty and the inspiration of its students.”

FAITH

FAMILY

KNOWLEDGE

SERVICE

Faith

- We believe that Jesus Christ is the foundation of our Catholic school communities and the center of everything we do.
- We believe that Catholic Schools should provide, through example and instruction, a community in which students experience faith and hope that witness the Gospel values of Jesus Christ

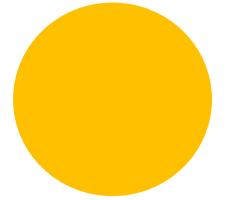

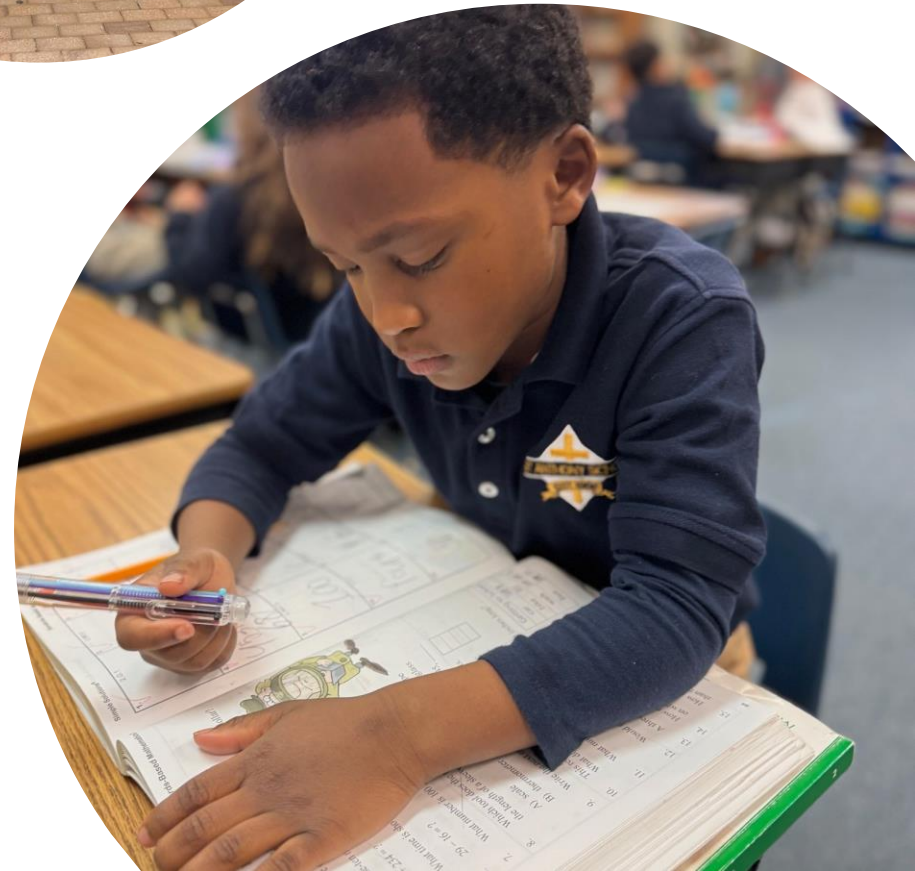

Family

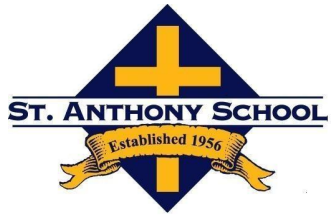

- We believe parents and guardians are an essential element of the school community and we recognize the rights of parents as the primary educators of their children.
- We believe respect and dignity begin with self in the context of family and extend to others in the community.

Knowledge

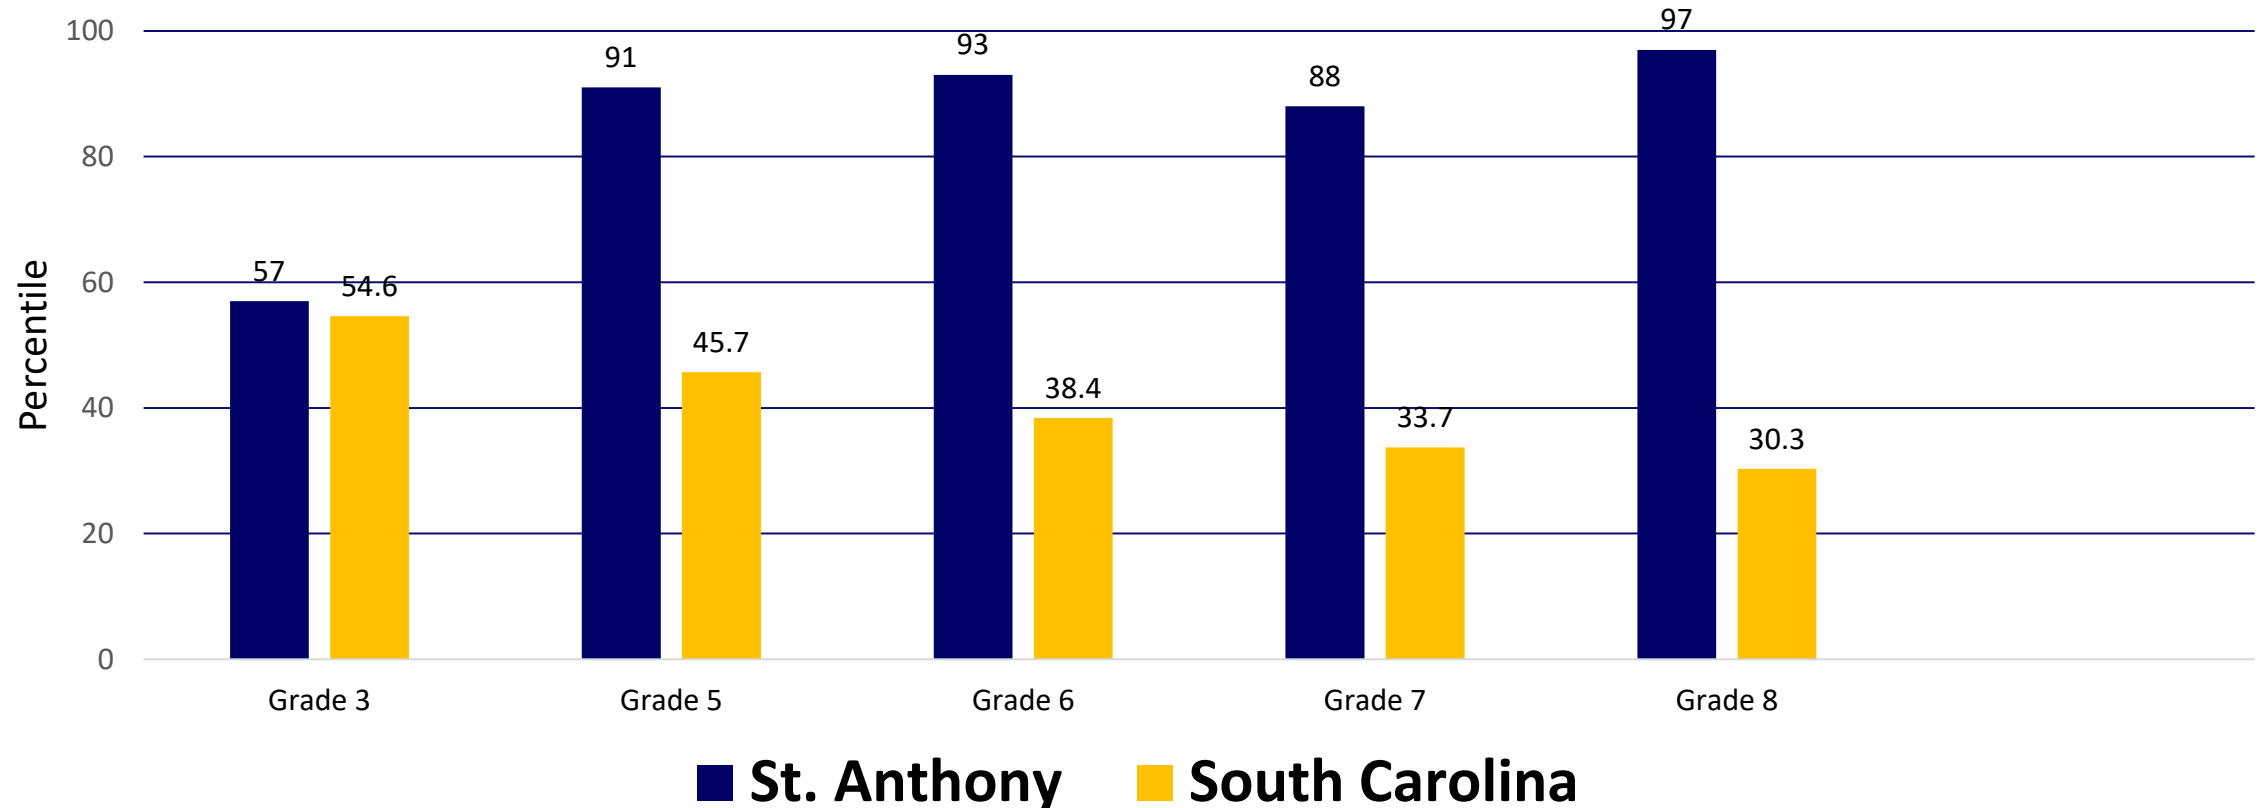

- We believe each student is a child of God with unique intellectual, physical, social, spiritual, and emotional needs.
- We believe children should be stimulated, encouraged, and inspired in the acquisition of basic skills as well as a desire for life-long learning.
- We believe that training students in the divine worship; musical, theatrical, and other artistic performance; and athletics will help them glorify God in their bodies.

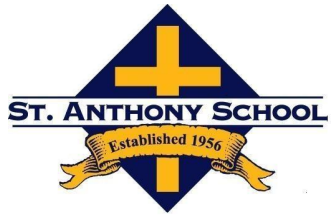

Academic Excellence – Math

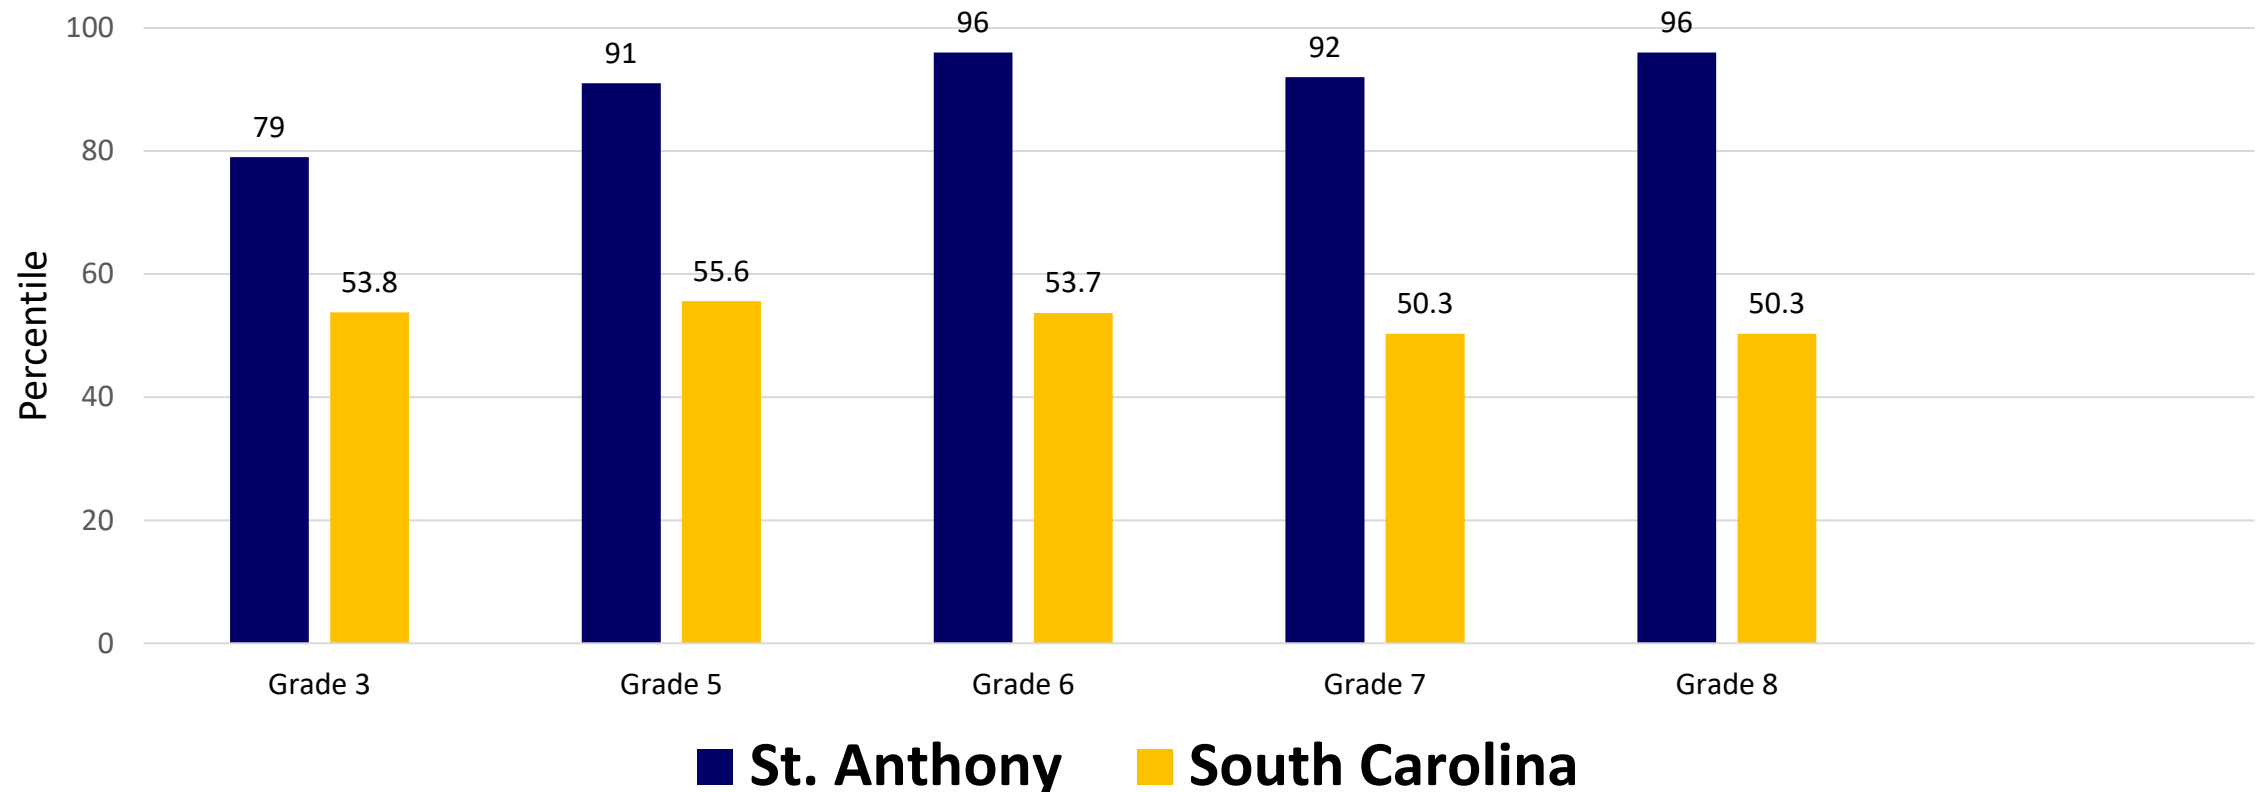

St. Anthony Student Performance Against South Carolina Peers On SC College / Career Readiness / MATH

Academic Excellence – Reading

St. Anthony Student Performance Against South Carolina Peers On SC College / Career Readiness / READING

Service

- We believe that providing meaningful opportunities to serve the community, our students will develop a desire to respond to the needs of others.
- We believe service to the community is rooted in our love for God and motivates us to love one another.
